Mountaineers In Second Place In Baseball League

Local Team Out Of Town For Next Two Games Of Series

The Truckee Mountaineers dropped into second place in the Sierra Nevada League Sunday when the Threlkel Cubs won on the local diamond 8 to 2, but in so doing, the locals owe no apologies. The game was well played by both teams.

Wes Apperson, pitching for the visitors, did a good job holding the Mountaineers to four hits.

The three Truckee errors were costly, particularly in the first inning when four of the Cubs' eight tallies were scored. A Cub home run in the fourth put the visitors out in front 8 to 0 and the two Truckee runs in the fourth failed to grow.

Chuck Otis, playing third for the Mountaineers Sunday, gathered two of the four hits scored by Truckee, while Bill Campbell and Ray Bell each got one off the red-hot Apperson.

Louis Goicoa pitched well all through the game, allowed 11 hits, and had it not been for the errors, the story would have had avery different ending.

Four pinch hitters sent in by Manager Al Wakefield found the offerings of Apperson deceptive and all struck out.

Dick Snyder of the visitors blasted the only home run of the game.

For the next two weeks, Truckee will be out of town, playing Sunday at Fallon, where they meet the Legion nine, and the following Sunday will be at Verdi. On June 29 they return to Truckee to meet the Babbit Bandits.

The short score:

	R	H	E
Truckee	2	4	3
Cubs	8	11	2

Goicoa and Oates, Stewart; Apperson and Hodges.

LEGAL ACTION STOPS IN ULLAND SHOOTING

All legal proceedings against Sigurd Ulland, former ski champion who shot his wife, Katherine Rossarini Ulland, to death in Oakland on May 15, were ordered suspended by Alameda County Superior Judge James R. Agee after he read three or four reports from psychiatrists on Ulland's sanity.

Judge Agee did not divulge the contents of the three reports, but he commented: "There is doubt in my mind about Ulland's sanity."

EQUIPMENT SLASHES PHONE COMPANY LINE

A lengthy delay in telephone calls between this area and the valley and coast points were occasioned yesterday after a main transcontinental cable near Kingvale was wrecked by a road construction crew working in that area. Similar trouble was experienced on the Lake Tahoe lines Monday.

SCOTTISH PIPES TO BE HEARD AT LAKE

KINGS BEACH — The famous pipes of the Scottish highlands will echo through the Tahoe Highlands this Saturday in Kings Beach.

Maj. Donald S. Ramsay, O.B.E., formerly piper to the Duke of Hamilton and wnner of the world's top piping awards will pipe the opening of the north shore's Tahoe Highlands.

The Highlands, recently purchased and redecorated by J. X. Stiner and Al C. Hopkins, will formally open it's doors at 11 a.m., Saturday, June 14.

TWO BABIES BORN IN LOCAL HOSPITAL

New arrivals at Tahoe Forest Hospital the first week in June was a daughter for Mr. and Mrs. William Ventura of Truckee on June 4. Tammy Gail had a registered birth weight of 7 pounds, 3 ounces.

The following day, June 5, Gerald Lee was born to Mr. and Mrs. Jack Hotsentillar, also of Truckee.

The lad weighed in at 7 pounds, 7 ounces, is a grandson of Mr. and Mrs. Paul Rausch.

WYETHIA CLUB WILL MEET ON JUNE 20TH

A buffet luncheon, meeting and program will be held June 20 by the Wyethia Club, in the edifice.

Members are urged to take a guest to the interesting affair.

Lookout Posted In Tahoe Forest For Summer Months

Forest Service lookouts in the area are being occupied this week for the summer season. Fred Scott is returning for his sixth summer at Martis Peak and Virginia Davis will be at Stateline Lookout near Brockway on the California-Nevada state line.

Lane Endicott, who is returning for her third season at Verdi Lookout, will not go on duty until next week.

Fire Patrolmen on duty are William Stewart, Preston Patnoude, and Harry Parsons in the Truckee-Donner Lake area and Jack Schindler, Wade Rowse and William Howell in the Tahoe area.

By next weekend the district will be fully manned for the season. Foreman of the Truckee suppression crew will be Bill Tumpney with Jim Davis as fire tanker operator.

Temporarily assisting in tree planting and timber stand improvement work are Joe Romo, Jerry Beck and Jim Hensley, all of Truckee.

A new arrival in the district is Hoyt Jackson, teacher from Chico State College, who will assist on timber cruising, marking and scaling projects this summer.

District Attorney Chamber Speaker

District Attorney Harold Berliner, who had been requested by the Truckee Chamber of Commerce to have a deputy in Truckee at least once a week, spoke before that organization yesterday at the luncheon at Smart's and explained that the request would not be practical.

Berliner outlined the principal duties of his office and explained that the need for a deputy here was not sufficient to warrant sending a man up each week. Instead, he said, he would have a man here every two weeks.

The official said he would assist the chamber in procuring a full time attorney for the area.

The urban renewal program, approved by the board of supervisors at a recent meeting, came up for discussion and the chamber directors recommended four names to be considered by the supervisors as directors. They are Dr. Robert Affeldt, James Warnke, Ed Heller and C. Z. Smith. The board will have five members.

The new meeting of the directors on Wednesday, June 18 at noon will be held at Ramshead Restaurant at the east end of Donner Lake. N. F| Dolley presided at the meeting.

LANDERS ANNOUNCE IMPORTANT EVENTS

Mr. and Mrs. Emery Lander will celebrate their 20th wedding anniversary Thurday, June 12.

At the same time they also announced the engagement of their daughter, Christi Ann, to Nick Kettenhofer of Chambers Lodge, Lake Tahoe. No definite plans have as yet been made for the wedding.

"SMOKE JUMPERS" IS VIEWED BY ROTARY

Emery Landers, program chairman, entertained the Truckee Rotary Club meeting Monday evening at Donner Lake Lodge with a film showing "Smoke Jumpers," a forestry picture.

Richard Swanson presided and welcomed guests Dwight Roberts and Carl Forest and visitor Chal Crichton of Eureka.

DeMOLAY DANCE AT TAHOE IS PLANNED

The Tahoe Truckee Chapter of the Order of DeMolay will hold a summer time opening dance tomorrow evening, Friday, June 13, in Carpenters Hall at Kings Beach.

There wil lbe a live, seven-piece band and a small admission will be charged.

The public is invited.

BOEHMS RETURNING

Mr. and Mrs. E. E. (Pike) Boehm have moved from Hat Creek and he is retiring from the U. S. Forest Service as a ranger. At present they are at Oroville but expect to be in Truckee on or about July 1 and wrote that they are anxious to "return home." Boehm was the ranger here before transferring to Hat Creek.

$4,600,000 Center For Arts Planned For North Tahoe

Elaborate Plan In Making For Huge Area At Lake Tahoe

A Stockton press dispatch reported that negotiations involving a $4,600,000 sale of prime North Lake Tahoe shoreline property were completed Friday for the development of a music and arts center.

David T. Lawson, Stockton, president and founder of the Lake Tahoe Music and Arts Foundation, Inc., said a contract for option and sale of the land along two miles of the Nevada shore has been negotiated with the property owner, Capt. George C. Whittell, Woodside, Calif.

The sale, which involves mostly undeveloped timberland along the shore of Crystal Bay near the California-Nevada state line, will be one of the largest land transactions in the history of Nevada.

Lawson, for 13 years director of the Pacific Music Camp at the College of the Pacific, said final financial arrangements for execution of the contract should be completed during the next five weeks.

He said the Music and Arts Foundation, a non-profit organization, plans an international center on the 9,000 acres with a modern campus, dormitories, a bowl-like amphitheater facing the lake and development of recreation and home-site areas.

The foundation, Lawson said, is an outgrowth and expansion of the Pacific Music Camp, which is scheduled to be transferred to the Tahoe site as the basic unit.

Other directors of the foundation are Dr. Kurt Herbert Adler, general director of the San Francisco Opera Company; Clayton A. Long, dean of the Napa, Calif., Junior College; Dr. Constantin Bakaleinikoff, former director of music at RKO Studios, Hollywood; and Mrs. David T. Lawson, executive director of the Pacific Music Camp.

HOWARD SNIDER IS MARRIED IN TEXAS

A church wedding of local interest at Texas, May 31 united in marriage Miss Joyce Swink and Howard Snider.

The young benedict is the son of Mr. and Mrs. H. I. Snider, former Truckee and Lake Tahoe residents, and attended local schools before going to the University of Nevada. He held the rank of lieutenant while in the U. S. military service.

The newlyweds plan to establish their home in Sacramento and will soon visit his brother-in-law and sister, Mr. and Mrs. Dave Rose.

ANCIENT LANDMARK IS DEMOLISHED HERE

Another of Truckee's ancient landmarks this week was falling under the hands of a demolition crew.

The big Southern Pacific water tank near the depot is being cut down as scrap.

Installation of the diesels on the company's line has made the water tank obsolete but it once served the huge mallets which always stopped here for water before starting up Donner grade.

WATER MAIN STRUCK BY ROAD TRACTOR

A heavy construction caterpillar Sunday evening put a portion of the town out of water for a short time when it struck a main near Veterans' Memorial Hall. At this point, the line is in shallow earth and the equipment operator did not see it until the blade of the machine ripped into the pipe, causing a geyser. The crew from the Truckee Public Utility District made the repair.

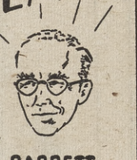
FREAK ACCIDENT

When an insect struck his face when he was driving six miles west of Truckee Monday night, Chester M. Caldwell, 66, Sacramento, made a swipe at the intruder and in so doing knocked off his glasses. As a result the car went out of control and off the road.

Caldwell was taken to the Tahoe Forest Hospital for treatment for minor injuries.

Mrs. Elden Tonini and Miss Babette Heuiesen were guests last week of Mr. and Mrs. Clair Goode at Woodland, Calif.

SUNBEAMS



By WALTER M. BARRETT

The action taken against an unlicensed peddler who had set up business along the highway was, in our opinion, a good step in the right direction. The fellow was warned, then hailed before the local court and placed on $100 bail. Local merchants pay a rather stiff fee for the privilege of doing business and it is unfair for an outsider, without interest in the community, other than to profit at the expense of the ones who make the town possible, to take off the cream of the business. The chamber of commerce, the officers and the court should be complimented for the action taken.

Need for additional officers to patrol this area cannot be disputed. Local and county officials have expressed themselves as favoring the plan and we hope sincerely that appointments will be made in the near future. The influx of the people into the area and the resultant increase in policing needs becomes more apparent daily and it is too much to expect the three local deputies to carry the full load night and day, seven days a week.

11.5 More Miles Of U. S. 40 Up For Bids

The division of highways Monday called for bids on an 11.5 mile section of freeway on Highway 40 than, upon completion, will insure 61 miles of uninterrupted four lane highway from Sacramento to near Monte Vista. It is estimated the project will cost approximately $7,800,000.

The section for which bids were asked is from one-half mile east of Roseville to one mile east of Newcastle. The bids will be opened in Sacramento on July 16.

The new section of freeway will connect the four lane section beteween Sacramento and Roseville to the new section between Newcatle and Auburn. The route lies to the south of the existing U. S. 40. The Newcastle-Auburn portion of the freeway is scheduled for completion this month.

The new route will bypass the communties of Rocklin, Loomis and Penryn to the south and provisions have been made to provide access to the freeway from these points.

A major structure on the project will be the four-lane underpass of the Southern Pacific Railroad in Newcastle. The underpass will be located south of the present two lane structure that will be used in the interchange of traffic in the Newcastle area.

This project is the last of the five major freeway projects on Highway 40 that were provided for in the 1958-59 budget of the division of highways. The other four will provide four lane freeway facilities from near Magra to one-half mile west of Monte Vista, from Hampshire Rocks to Soda Springs, from the east end of Don-

RICHARD ANDERSONS BUY STORE AT LAKE

TAHOE VISTA — The North Shore Grocery and Lodge at Tahoe Vista has been recently purchased by Richard and Millie Anderson of Vacaville, from Annas Hansen. The new owner is the son of Mr. and Mrs. Dan Anderson, who have Andy's Boat Rental at Tahoe Vista.

The young Andersons have four children, two of whom will attend the Kings Beach school this coming fall. They hope to keep the cabins and store open the year around.

The Richard Andersons lived at the lake in 1953 for a year and have always hoped to return to live here permanently. Richard spent four years in the navy and since leaving here has worked at Travis Air Force Base at Fairfield.

CONDITION SERIOUS

A. G. (Red) Jolley, well known Truckee painter, who was taken to the Tahoe Forest Hospital last week following an apparent stroke, is reported in serious condition and may be removed to a Reno hospital for specialized treatment.

Tahoe Chamber Continues Fight For Bridge At Bay

Petitions Will Be Passed Requesting Action On Bridge

CAMP RICHARDSON — Directors, members and guests of the Lake Tahoe-Sierra Chamber of Commerce filled the dining room of Camp Richardson Resort to overflowing at the annual noonday luncheon membership meeting on Friday, June 6.

The assemblage was gathered together to hear President Fred Schultz' resume of the year's activity report, and stayed to discuss various proposed activities for the coming year.

The annual meeting marked the return of the many motel and summer resort operators to the area, and the president's report was accepted with unanimous approval. Special guests included Louis Spitz, housing director of the Winter Olympics Organizing Committee, Joseph F. McDonald, president of the Nevada-California Lake Tahoe Association, and Bill Patterson, passenger agent of the Southern Pacific Railroad, all of whom addressed the assembly briefly.

Members and guests were emphatic in their intention to revive the proposed Emerald Bay bridge issue, which was defeated at a spring meeting of the assembly this year. Director George Cannon, national president of the Highway 50 Association, who had spearheaded the campaign for the low-level span, urged all persons who visit or live at Lake Tahoe to write to their senators and assemblymen requesting further consideration of this low-level bridge.

The Lake Tahoe Sierra Chamber of Commerce will soon circulate petitions to be signed by guests from other parts of California staying at the many Tahoe resorts to lend support to this issue, and President Fred Schuultz reported that the Olympic Organizing Committee stands ready to lend all support possible to this project in expediting traffic to and from the 1960 Winter Games.

President Schultz reported that the membership in the Lake Tahoe Sierra Chamber of Commerce is at a new high mark for the past two years, but stated many more members are necessary in order that planned activities may be culminated.

ASSISTANT PUBLICITY MAN FOR OLYMPICS

Bob Rubin, director of the University of California Athletic News Bureau, has been appointed as assistant public relations director of the VIII Olympic winter games, Committee President Prentis C. Hale announced this week.

Rubin will join the organizing committee staff July 1.

He will assist in preparation of newsletters, brochures and other material publicizing the Olympics at Squaw Valley February 18 to 28, 1960. He will also help arrange facilities for the hundreds of newsmen and radio and television representatives who will attend the international sports event.

Rubin, 34, was a journalism major at the University of California and won his letter in tennis.

During the Olympic games at Helsinki, Finland, in the summer of 1952, Rubin served on the Associated Press staff. He lives in San Francisco.

SITE IS SELECTED TO CONSTRUCT COLLEGE

AUBURN — Charles D. Gibson, chief of the bureau of school planning, state department of education, this week presented the bureau's report on sites available for Sierra College, and rated the Takahashi site, situated one-half mile east of Rocklin.

It was rated the most desirable site, followed by the Newcastle site ,located one-half mile south of Newcastle, the Law site, two miles from both Loomis and Penryn, and the Traylor-Krause site, 2½ miles from both Loomis and Penryn, in that order.

The board, of which Hal Welch of Truckee is the local member, adopted the Takahashi site and is now giving serious thought to extending the boundries of the total site to include remaining property lying north of the existing improved county road to Rocklin, west to the freeway, the report states.

New Quarantine For Truckee Will Be Started Soon

The California Department of Agriculture plans construction of two new border plant quarantine stations, one at Truckee and the other at Twenty-Nine Palms in San Bernardino County.

The Truckee station will cost about $283,000.

The new Truckee station is required because of realignment of Highway 40 to bypass the present station. The new highway is to be a four-lane freeway and part of the interstate highway system. The new building will be the first of several new type stations to be located on interstate freeways leading into California.

Design will include many features to facilitate the rapid clearance of heavy traffic undergoing plant inspection of baggage and belongings.

The purpose of California's 18 permanent plant quarantine inspection stations, maintained by the state department of agriculture for more than 30 years, is to protect the state's billion dollar plus agricultural industry from losses which would occur to it through the establishment in California of insect pests, plant disease, weeds or animals which are not presently found in the state.

One Critically Hurt In Accidents Here

One man was critically hurt and others were injured in vehicle accidents in this area during the past week, Sergeant Frank Snyder of the California Highway Patrol reports.

Joe B. Avery of Lyle, Washington, suffered critical head injuries when the car he was driving and one operated by Everisto Dominquez of Truckee collided at the entrance of Donner State Park, two miles west of here Sunday morning at 2 o'clock.

The report indicated Avery was making a turn into the park without giving right of way to the approaching Dominquez car and the collision resulted. Avery will be cited, Snyder said.

Also injured in the crash were Dominquez and Harry A. Barling, the latter a passenger in the Avery car. All were taken to the Tahoe Forest Hospital.

John R. Miller, 45, Millbrea was taken to the hospital Friday at 10:55 a.m. after the car he was driving ran off the highway six miles west of Truckee and was wrecked. The driver, alone in the car, was not seriouslv injured. He was cited for speeding.

ONLY ONE GATE AT TAHOE NOW OPEN

TAHOE CITY — Only one gate is open from Lake Tahoe and the level Monday morning stood at 6228.45 feet, according to a report from Cooperative Observer Art Frodenberg.

It is apparent that the late spring run off is not expected to bring the level of the lake to the legal maximum of 6229.1 as had been feared earlier this year.

Rain left .12 of an inch of precipitation at Tahoe City during the weekend. The temperature has ranged from a cool 33 to a maximum of 59 degrees during the past week.

ATTENDED GRADUATION

Mrs. Al Schell and children, Al and Tracy Ann of Sacramento were guests last week of Mr. and Mrs. Orlin Waters. Mrs. Schell came to attend the graduation of her brother, Floyd Cooper.

RETURN FOR SUMMER

Mr. and Mrs. Ray Hartsen, who have been at Pleasant Hill, returned for the summer.

SEE CEREMONY

Mr. and Mrs. James Leamon and son Jimmy of Tahoe Valley attended the eigth grade graduation.

OUT OF HOSPITAL

Charles B. White, prominent local man, has been released from Tahoe Forest Hospital and returned home where he is greatly improved following a heart attack several weeks ago.

RETURNS HOME

Cecil Edmunds, manager of the Truckee Public Utility District, who has been a hospital patient, undergoing examinations for the past week, has returned home and will be back on the job soon.

Work On Shortcut Will Cost $296,000 As Bids Opened

Granite Construction Co. Presents Offer Under State Estimate

A portion of the Truckee shortcut between Truckee and Kings Beach will be reconstructed under a contract for which the division of highways yesterday received a low bid of $296,227. This was under the estimate by the state.

The bid, the lowest of six submitted, was from the Granite Construction Company of Watsonville.

The contract calls for grading and surfacing 4.4 miles of two-lane highway, generally on new alignment near the existing highway, from 5.6 miles north of Kings Beach to the Nevada County line. The new roadway will provide a 24-foot plant-mized surfaced traveled way that has maximum grades of 7.2 percent. The necessary drainage facilities will be installed also under this contract.

The Truckee Short-cut is a part of the federal aid secondary system and funds for this project are being provided, on a matching basis, from federal, state and Placer County sources.

The contract calls for the completion of the project within 90 working days from the date work starts.

The Marysville office of the division of highways said that though public traffic will be detoured over existing state highways during the construction period, local traffic will be permitted to pass through the construction zone with a minimum delay and inconvenience.

ANNUAL CONCERT AT TAHOE ON SATURDAY

TAHOE CITY—Jack Dunne announced that J. Wilson McRae and the Yuba City High School Band of 48 pieces will hold their yearly concert Saturday evening between 7 and 8 o'clock, under the Big Tree at Tahoe City.

The event has been enjoyed by all who have heard the large group in years past and are anticipating once again meeting the genial director and young members of the band.

JET PLANE CANOPY IS FOUND IN VALLEY

No word had been received from Stead Air Force Base regarding disposition of a jet plane canopy which was found in Euer Valley Saturday by Tommy Dolley who was fishing there with a companion.

The equipment was turned over to Deputy Sheriff Emery Lander, who immediately notified the air base security officer. The canopy is the type which ejects from the cockpit, Lander said, and apparently came from a training plane.

EASTERN STAR WILL HOLD FINAL MEET

The last regular meeting for the summer of the Truckee O.E.S. will be held Tuesday, June 17 and all members are urged to attend. The So-journers of the local chapter will be honored and Mrs. William Sciutto will be in charge of refreshments. There will be an initiation for four new members and slide pictures will be shown by Dan Anderson.

LIONS CLUB LADIES NIGHT ON JUNE 21

The Truckee Lions Club will hold its annual Ladies Night at Donner Lake Lodge on Saturday, June 21. There will be no meeting on Monday, June 18.

At last night's meeting, Bob Mosby and John Holgate were inducted into the club by William Englehart, Jr. Carl Forest and Charles Baker of San Jose were guests.

THREE LOCAL GIRLS HONORED IN MEET

Hope Assembly No. 18, Order of the Rainbow for Girls, was honored by three appointments to the grand assembly at the 24th annual grand assembly held at Reno this week.

Past Worthy Advisor Jude Commagere receive the appointment as grand faith; junior past worthy advisor Janice Gray was appointed grand Christian flag bearer and Joann Wray was appointed a grand representative.

Many of the members of Hope Assembly have been in attendance at the grand assembly. Mother Advisor Barbara Kemp, Associate Mother Advisor Elmay Philippi and members of the advisory board have also been in attendance at the sessions.

Adjourned Meeting, May 15, 1958
Present: John T. Trauner, Clerk; Wm. J. Cassettari, Chief Deputy

District Attorney.

The Clerk notified the Board that the Chairman Henry G. Loehr had telephoned and stated that he would not be present for this meeting. By unanimous decision Supervisor W. W. Bishop was appointed Chairman Pro Tem. The meeting was called to order at 10:00 A.M. by the Chairman Pro Tem with the following members noted as present Mosco F. Smart, W. W. Bishop, J. C. Coughlan, Guy N. Robinson. It was noted that Supervisor Loehr was absent.

The minutes of the meeting of May 1, 1958 were read to the Board by the Clerk and upon a motion by Supervisor Smart, duly seconded and passed unanimously, the minutes were approved as read.

Mr. Jack Jamison, a representative of the State Division of Housing, appeared before the Board and introduced Mr. Richard Mitchell, a representative of the Federal Housing Authority, who spoke to the Board on Urban Re-development Programs and how they could be worked in the Truckee area.

After a quite lengthy discussion the matter was deferred by the Board with no official action being taken.

Mr. Downey Clinch, a member of the County Airport Commission, appeared before the Board relative to the surfacing of the airstrip if possible, and after a short discussion by the Board the matter was deferred until June 1, 1958.

Mrs. Katherine Porter appeared before the Board relative to the Welfare Director's report in place of Mrs. Worth, the Director.

After a brief report a motion was made by Supervisor Smart, duly seconded and passed unanimously, authorizing the attendance of a representative of the Welfare Department at a conference in Sacramento on May 23rd.

A Mr. Burnett appeared before the Board relative to a problem on the Tyler Road and the matter was referred to Supervisor Robinson for his investigation and subsequent report to the Board.

Mr. Dale Smith, a member of the Nevada County Board of Trade, appeared before the Board relative to the possibility of exhibiting at the Pomona Fair in the County of Los Angeles, and presented the Board with a tentative budget of such an exhibit. The matter was deferred until June 1.

Mr. John Truscott appeared before the Board as a representative of the A.O.S. Fire Department and requested that gravel be placed around the Firehouse and in the parking area. Mr. Truscott also requested that study be given to the possible payment of compensation insurance by the County on all volunteer firemen. The matter was deferred.

A motion was made by Supervisor Smart, seconded and passed unanimously, authorizing the attendance of Mr. Parsons to an Urban Re-development Conference in San Francisco on May 22, 1958.

Mr. L. L. Anderson, a Supervisor from the County of Placer, Mr. E. H. Spoor, Executive Director of the Mountain Counties Water Resources Association, and Mr. Verne Campbell, President of the San Andreas Irrigation District, appeared before the Board and entered into a discussion on the possible creation of a County Water Agency.

At this time the Board adjourned for lunch to reconvene at 1:30 P.M.

AFTERNOON SESSION

The Board reconvened at 1:55 P.M. and it was noted that Supervisor Loehr was absent.

Mr. Gene Blake, Owner of an Ambulance Service, appeared before the Board and requested consideration be given him for an ambulance subsidy by the County of Nevada. A short discussion ensued and the matter was deferred until June 2, 1958.

Mr. Norman Andregg appeared before the Board relative to filing a Subdivision Map of the Pla-Vada Woodlands Unit No. 1 Subdivision. After a short discussion a motion was made by Supervisor Smart, duly seconded and passed unanimously, authorizing the filing of the map.

John T. Trauner, the County Auditor, presented the Board with the Auditor's financial and budget report from July 1st through May 10th, 1958. A motion was made by Supervisor Smart, duly seconded and passed unanimously, approving the report and ordering it filed.

A letter from the Sierra Co. Welfare Department relative to entering into a contract for care of Sierra County residents. Mr. Veale presented the letter and the matter was deferred until the Medical Director of the County Hospital could be contacted.

The Clerk read a Proclamation relative to Armed Forces Day on May 17th, and a motion was made by Supervisor Smart, duly seconded and passed unanimously, authorizing the Clerk to print the Proclamation.

The Clerk read proposed Resolution 58-19 (an agreement for an abstract and control system of delinquent real property taxes), and a motion was made by Supervisor Smart, duly seconded, that Resolution 58-19 be adopted. Upon a roll call ballot a unanimous vote was recorded.

Proposed Resolution No. 58-20 (termination of a Mapping Agreement with the State of California) was read to the Board in its entirety by the Clerk, and a motion was made by Supervisor Smart, duly seconded to adopt Resolution No. 58-20. Upon a roll call ballot a unanimous vote was recorded.

Mr. Kenneth Hathaway, Assistant Director of the Office of Civil Defense, appeared before the Board and gave a brief report on the various projects in that office.

A delegation appeared before the Board from the Bullion Fire Department relative to creating an approach to the Firehouse proper from the Old Auburn Highway which is now a County road. Mr. Graham the County Road Commissioner was present, and after a discussion the matter was deferred until an investigation could be made and a subsequent report given back to the Board on June 2nd.

The Clerk presented the Board with proposed Resolution No. 58-21 (Federal-aid Secondary Funds) and it was read to the Board in its entirety. A motion was made by Supervisor Coughlan, duly seconded to adopt Resolution No. 58-21. Upon a roll call ballot a unanimous vote was recorded.

Mr. Downey Clinch appeared before the Board relative to the agreement on the Loma Rica Airstrip, and after a short discussion a motion was made by Supervisor Smart, duly seconded and passed unanimously, to transfer the sum of $3000.00 from Reserves to the Airport Budget to oil the airstrip proper.

Mr. Clare Hughes, County Purchasing Agent, appeared before the Board and gave a report on various projects now under way in the Courthouse.

The Deputy District Attorney, Mr. Cassettari, presented the Board with an Ordinance regulating the purchase and-or selling of County equipment. The Ordinance was read to the Board in its entirety by the Clerk, and a motion was made by Supervisor Smart, duly seconded by Supervisor Coughlan, to adopt Ordinance 221. Upon a roll call ballot a unanimous vote was recorded.

There being no further business to come before the Board at this time a motion was made, duly seconded and passed unanimously, to adjourn Sine Die.

EDWIN CRANDALL IS HONORED AT SCHOOL

PHOENIX, Arizona— Edwin B. Crandall, son of Mr. and Mrs. Edwin B. Crandall, Truckee, California, was announced as winner of the marketing club award at commencement exercises held at the American Institute for Foreign Trade Friday, May 30.

Crandall won on the basis of his report, "An Analysis of the possibilities of Marketing The Polaroid Land Camera in Cuba," a marketing research paper. His name will be engraved on a permanent plaque at the school and he will also receive a cash award.

Specializing in Latin America, Crandall has taken the school's intensive training program in preparation for a career in American business or government abroad.

Crandall attended Truckee High School, and received his bachelor of arts degree in history from the University of Nevada, where he was a member of the History and international Relations Club and Ski Club. A veteran of the U.S. Air Force, Crandall served in Korea and Japan during 1950-52.

STRICTLY STRICKLAND

By Bill Strickland

VACATION'S OVER — that of course, is a turn about on what the school children think, but it is over as far as the parents go. Instead of mom being able to crawl back into the feathers after dad has gone to work and the kids have caught the bus, she has to prepare hereself for "Gee, mom, what can I do now?"

Next year, too, will bring two new teachers to Donner Trail school. To quote son Bill: "We're doing pretty good, huh, dad—worn out four teachers in four years!" I wonder if Bill Carrico, Jeanne Kessey, Bob Bailey and Orlan Siewart felt they were indeed lucky to get away with their scalps.

We were pleasantly surprised Friday to see Helen and "Gram" Reynolds return for a short vacation. Grandma, as everyone up here call Ralph's mother, unloaded herself from the car, and even though she now must walk with two canes, set sail for the house 100 yards away. The fact that there were still snow drifts as deep as five feet, was no deterent whatever. With an assist from Eleanor Johansen, when needed, she arrived at the house almost before Helen had a chance to open the doors—a truly remarkable woman is Mrs. Belle "Gram" Reynolds.

No sooner had they arrived when telephones rang with an invitation for Sunday dinner for their neighbors, the Johansens, the Zorich family and the Stricklands.

Took a tour over Memorial Day weekend to have a first hand look at all of the construction work taking place around here. Squaw Valley is really alive and humming. Widening of 89 to a four-lane is also a big project; and, the start of the freeway at Soda Springs, Truckee and Boca completes the three big road jobs. On the Floriston to state-line job two lanes of cement have been poured for almost the full length of the project—in fact about two miles of the new concrete is now being used for traffic. Also saw "Casanova Engineer" yesterday—waved to him, but he was too busy to notice the traffic passing by.

Esther and Jack Marturona are back on the Hill assisting Herb and Lena Frederick at the Norden Store for the summer. Between that and their national ski patrol work at Sugar Bowl in the winter, they are about as close as you can get to permanents without being year around residents.

John Johansen has put his skiis away for the season and is now helping build the Olympic facilities in Squaw Valley.

Arnold Burch has been up for the past week working on the foundation forms for his home near Edvi Aro's home. Cement is being poured and before long, another home and family will be ensconsed on our hill top.

We haven't heard from or seen Camilla and El Bowers but they'll probably be arriving soon for the summer.

Saw Tom Richardson, his wife and children. I've known Tom since way back in 1936. He's another bay areaite that used to go to Yosemite in the summer but ,like a lot of the valley regulars, has changed his locale to the high Sierra on Highway 40.

Locals attending the FWSA convention in Fresno were Stan and Madeline Walton, Luigi and Helen Foeger, Mr. and Mrs. Walter Haug. Also present was quite a contengent from Reno and Heavenly Valley. Heavenly Valley was chosen as the site for the convention next year; so everyone in this area should be able to attend. They edged Reno by a narrow margin. And while I think of it, a very complete and ambitious program is in the making to develop a good Nordic team for the Olympics.

The Sugar Bowl will supply jumping and cross country skis as well as coaching for anyone interested in tryouts. The 40-meter hill will be completed at Squaw Valley this fall so a lot of you local Nordic contenders will have an excellent chance to qualify for either jumping or cross country—or both. Considering the number of Alpine event hopefuls, the Nordic team will not be nearly as tough to make as the Alpine events but the rewards for victory will be just as great.

ROTATE WHEELS—To maintain even tire wear, the California State Automobile Association suggests that wheels be rotated every 5,000 miles. Proper rotation is effected by switching diagonally. For example, the left-front tire should be changed to the right-rear position and the right-front tire switched to the left-rear position.

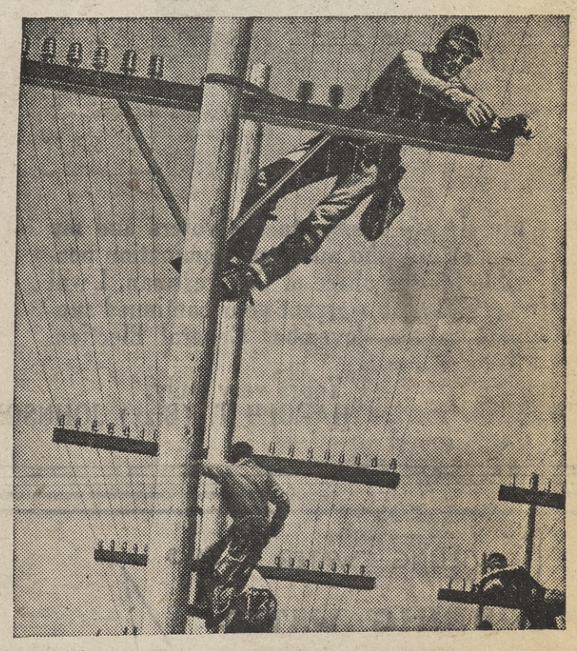
WHAT'S DOING

George Selkirk, Telephone Manager, Truckee-Tahoe



This young man's learning to climb a pole at a telephone "classroom in the sky." He'll get many hours of training, because there's a lot more to it than you might think. For instance, you have to make sure your right arm and leg move up at the same time. (Same with your left arm and leg). And you have to get the hang of the belts, the spikes, and all the other equipment. We have special schools not only for linemen but installers, operators, and many others. And with good, well-trained people on the job, you can be sure your service is in good hands.

Summer time is vacation time, and here's a tip to make *your* trip more pleasant. Before you leave, phone ahead for reservations. You can relax a lot easier, knowing you have a place to stay when you reach your destination. And the cost is small. Just look at the low out-of-town rates listed in your phone book, for instance. You'll be surprised to find how far you can call for only $1 or less.

A stream of water 1/16 inch in size, running constantly, will waste about 20,000 gallons of water in a month. The combined water fixtures and appliances in use in the United States waste millions of gallons of water yearly, enough to put out hundreds of fires in industrial plants and homes from coast-to-coast. Therefore, use all the water you need, but need all you use. Then, TURN IT OFF.

NOTICE INVITING SEALED PROPOSALS OR BIDS

PURSUANT TO RESOLUTION NO. 7-58 of the Board of Directors of Truckee Sanitary District directing that notice be given, said Board of Directors hereby invites sealed proposals or bids for the furninshing of all work, labor, materials, methods, processes, tools transportation, utilities, machinery and equipment required or necessary to construct, install and place in satisfactory operating condition, sanitary sewage collection facilities and appurtenances, as set forth in the plans and specifications, contract documents, detailed drawing and related data on file in said District, to which reference is hereby made for a more particular description, and which said plans and specifications, contract documents and related drawings and data are incorporated herein and made a part hereof.

All of said work is to be done and said improvement it to be made at the places, in the particular locations, of the forms, sizes, dimensions, amounts, and of the materials, and to the lines, grades and elevations shown and set forth in said plans, specifications, contract documents, and detailed drawings thereof, approved and on file, as aforesaid.

Financing the proposed work and payment therefor shall be in conformity with the provisions of the Improvement Act of 1911, and the issuance of Improvement Bonds thereunder, and as specified in said Resolution of Intention No. 4-58.

Pursuant to Resolution No. 7-58, of the Board of Directors of said District, said board adopted the rate schedule of Tri-County Construction & Building Trades Council, as the prevailing wage rates applicable to the various craftsmen and laborers required to construct said sewage collection system, facilities and appurtenances.

In accordance with the provisions of Articles 1 and 2 of Chapter 1, Part 7, Division II of the Labor Code, and local Laws thereto applicable, the Owner has ascertained the general prevailing rate of wages in the locality in which this work is to be performed, copy of which rates are as follows:

Craft	Hourly Wage Rate	
Labor Foreman		$3.38
Laborer, Group I		2.935
Laborer, Group II		2.785
Laborer, Group III		2.685
Laborer, Concrete (wet or dry)		2.785
Engineers	3.00	3.85
Teamsters	2.75	3.12

Above listed crafts shall receive 10 cents per hour health and welfare plus $3.00 per day subsistence pay.

OVERTIME: Any additional time worked after the first eight hours of regular work day and Saturday shall be paid for at the rate of time and one-half. Sundays and holidays shall be double time.

Each bid must conform to and be responsive to this notice and shall be on official bid proposal form set forth in the contract documents and specifications. All bids or proposals shall be enclosed in a sealed envelope, addresses to the Board of Directors, Truckee Sanitary District, Truckee, California, and endorsed "Proposal or Bid for Construction of Sanitary Sewage Collection Facilities".

Each bid or proposal shall be accompanied by a certified check payable to the Truckee Sanitary District, amounting to 10% of the aggregate amount of said bid or bid bond, double the amount bid, which said bid bond shall be signed by the bidder and two sureties who shall justify before any officer competent to administer an oath, or corporate surety bond to the satisfaction and approval of said District. Said check or bond shall be forfeited to the District in case the bidder depositing the same does not, within 15 days after written notice of acceptance of his bid and award of contract enter into a contract with the District, the faithful performance of which shall be secured by an undertaking equal to 100% of the aggregate amount so bid, with sureties satisfactory to the Board of Directors of said District, and which shall be accompanied by a labor and material bond in an amount equal to 50% of the aggregate amount of said bid, pursuant to the provisions of Title I, Div. 5, Ch. 3 of the Government Code of the State of California.

Sealed proposals or bids shall be delivered to the Clerk of the Board of Directors of Truckee Sanitary District, Justice Court, Truckee, Nevada County, California, on or before 7:30 o'clock P. M., C.D.S.T., on Tuesday, the 1st day of July, 1958, said date being at least 10 days from the first publishing and posting of this notice, at which said time and place said bids will be, by this Board of Directors, publicly opened, examined and declared.

The District reserves the right to reject any or all bids; to waive any irregularity or informality in the bids or bidding, and to accept the bid or proposal which, in the judgement of the Board of Directors, is deemed most advantageous.

No bidder may withdraw his bid or proposal for a period of 15 days after the date set for the opening thereof.

No bid or proposal will be considered from a contractor who does not hold a valid contractor's license in the State of California for the type of work proposed. Copies of the plans and specifications, revisions or additions thereto, if any, may be obtained from Russell G. Ludwig, c|o Cal Engineers, 2240 Parkway Drive, El Monte, California, or from John J. McGlade, Clerk of Truckee Sanitary District, Truckee, Nevada California upon deposit of $10.00 for each set of plans specifications and contract documents, which deposit will be refunded upon return of sets in good condition within 7 days after the date set for the opening of bids.

DATED: June 3, 1958.

LOCAL GIRL RECEIVES SCHOLARSHIP FUND

Nine Sierra students, representing six different fields of study, have been awarded scholarships in recognition of outstanding academic achievement and citizenship.

Among the honor students to receive a scholarship is Nelda Stone, a Tahoe Truckee resident and daughter of Mr. and Mrs. Nelson Stone of Truckee.

The American Association of University Women's $50 scholarship has been awarded Miss Stone, who intends to return to Sierra College for one year and then transfer to San Jose State for completion of her A.B. in music.

KNIGHT NAMES NEW CAMPAIGN LEADER

SACRAMENTO — (CNS) Whitaker and Baxter, the high-powered and expensive pubilicity firm which has guided public relations and campaign destinies of Gov. Goodwin J. Knight, and former Gov. Earl Warren before him, has left the Knight camp.

Knight, who said the parting with the firm operated by Clem Whitaker and Leone Baxter was a friendly one, announced Edgar A. Waite, San Francisco and Los Angeles public relations man, has been named as the new campaign manager.

The governor's office said the decision to part company with the publicity firm was made prior to the recent primary, an election which found Knight trailing his Democratic opponent, Congressman Clair Engle by some 525,000 vites.

"I am very pleased that Whitaker and Baxter, my long-time friends, will still be in my corner, supporting my candidacy in the general election, as friendly counselors," Knight said, "even though they find it impossible for business reasons to serve as professional manager of my campaign for the United States senate."

Newton Stearns, Knight's former executive secretary who had been assigned as southern California campaign manager during the primary campaign, has been returned to the state payroll as executive secretary.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO (CNS) —Governor Goodwin J. Knight has been accused of making a "shocking" appointment to the fourth district court of appeals because he gave the job to his legislative secratary and state director of motor vehicles, Paul Mason.

The accusation is based on someone's theory that Mason, because he never had been a judge, is not qualified to hold the office. That, at least is the grounds on which the appointment is attacked.

But the same people making this attack lauded the appointment of former Governor Earl Warren as chief justice of the United States Supreme Court several years ago, and likewise, former Governor Warren had never had experience as a judge in any capacity, yet he landed the top judgeship in the nation because of political machinations.

Actually, Mason probably has forgotten more about law than most people know. He is a top authority in the state on constitutional law, and although he never has written legal opinions such as emanate from a court, he has read most of the opinions issued in California, for one of his jobs was to interpret these opinions as they apply to state government.

He is the author of Mason's manual of legislative procedure, which supercedes Robert's Rules of Order in the legislature. Roberts Rules is the old standby, but the legislature felt Mason's Manual did a better job so it was adopted.

He is a codifier of laws, and an annotator of the state's constitution, neither job of which could be done without a good background in the legal profession.

Thus, it would appear that an attack on Mason's qualifications to sit on the district of appeals, is based on some flimsy excuse to attack a man on grounds other than the real issues involved.

Patently, Governor Knight is making the appointment rewarding his legislative advisor and cofidant with a life-time job for the services rendered during Knight's administration. Even before Knight became governor, Mason advised him as lieutenant governor, and there scarcely was a time Knight presided in the state senate that Mason was not in front of the desk, ready with the answers on questions of procedure, which can become involved in the state senate.

This is not an unusual practice for outgoing governors. If California laws were written differently, providing that an incoming governor could sweep clean on his arrival in Sacramento, and start carrying out his own policies rather than those of the past administration through the holdovers, there might be some reason for criticism. But the legislature itself, in enacting the laws as they area, is responsible for the system.

This column has disagreed with Mason many times on some of the policies he put into effect as director of motor vehicles. He has been reluctant at times to allow access to records, but his reluctance was based on administrative, rather than bureaucratic grounds. He has followed his own interpretations of the law to a greater extent than some people felt he should, but so far, those interpretations have not been overruled by any court.

And although disagreeing with the man, there never has been any question of his legal ability, and if the storm stirred up by his appointment results in his not getting the job, it will be because of politics rather than incompetence to handle the work.

LEAKE TO CONTINUE TO "RUN SCARED"

WOODLAND— Paul Leake, re-elected Tuesday to the State Board of Equalization, said he would continue to "run scared".

And why?

"I am frightened stiff by existing tax inequities, with so many taxpayers shouldering more than their share of the tax load, and others receiving a virtually free ride," said Leake. "If our Board can continue eliminating these inequities, we will be performing a long overdue service for the state.

"This will be a difficult task but well worth the effort.

"I don't want to be like Hannibal, who—according to Plutarch—knew how to gain a victory but not how to use it."

The Woodland editor, Democrat incumbent in the Third District comprising 25 Northern California counties, was unopposed in both parties in his successful bid for a second term on the State Board of Equalization.

TRUCKEE BIBLE CHURCH

Pastor Rhoades and family returned Thursday with three teams of young people to begin the Summer Bible Workshop. Dave Sherman and James Warren, from the Grand Rapids School of the Bible, will be in Squaw Valley from the 16th of June to the 30th. Next Friday evening at 7:30 they will be in charge of our Teen-Time in Truckee. We will be meeting at the temporary home of the church.

Melvin and Roena Jackson are fresh graduates from Arizona Bible Institute and newlyweds. They will go into Floriston for two weeks. Melvin is an air pilot veteran of the Korean War. He was shot down in Japan and plans to return with his wife and a miission-ary to that country.

Le Roy Kenney and Bernie Slinstrum are from Moody Bible Institue. They will hold a school for Clio, Blairsden and Greyeagle.

Christian Cinema will feature "Road to Jerico" next Sunday evening at 7:00. All are invited to enjoy the film and fellowship together.

In the message Sunday morning Pastor Rhoades will be dealing with the framework of the tabernacle which points to the character of Christ, our Savior.

BILL TO PROVIDE LAKE PLANNING IS PASSED

WASHINGTON—Hopes for quick help in saving the growing pains of the Lake Tahoe area received a boost this week when the subcommittee on housing approved a bill which would make the Tahoe region eligible for planning assistance.

The bill, jointly introduced by Senators Thomas Kuchel of California, a Republican, and Alan Bible of Nevada, a Democrat, would broaden the Housing Act to permit the housing agency to grant money to unincorporated planning studies.

Existing law limits this aid to incorporated cities of more than 25,000 population.

The Lake Tahoe Association, a non profit organization sponsored by the Max Fleischmann Associatioo, recently proposed that a comprehensive study be made of the problems created by the increasing population and activity in the lake area.

Two California counties, three Nevada counties, the two states, the federal government, the Lake Tahoe Association and possibly other civic groups, would participate in the study.

Latest figures show that American agriculture has an average investment of $14,000 per worker.

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

Women's Club Luncheon Big Success

The annual spring luncheon and fashion show of the Tahoe City Women's Club held at the Crystal Bay Club on the 5th had a turnout of about 120 beautifully attired ladies. The meeting for the fashion show put on by Warren Porter's Wearing Apparel of Tahoe City, with a Chinese garden. A lovely back drop done by the St. Nicholas art group formed an arch of oriental design for the models to walk through, directly in front of this was a small curved bridge of black with small red rails on either side, and to set off this scene were beautiful groupings of pink blooming manzanita. The commentator, Mrs. June Lee, sat at a small oriental tea table to the left of the bridge just adding the perfect touch to the scene. In charge of this excellently done fashion show were: Mrs. George Caulkett, Mrs. Richard Clarke, Mrs. Jay Shontz, Mrs. William Bechdolt, Mrs. M. F. Jones and Mrs. George Selkirk. Mrs. Lee is from Palo Alto and they have a summer home on Dollar Hill. Lee sent up 150 chop sticks for the occasion, also used table decorations were: small Chinese parasols, Chinese lantern centerpieces, and at each place was a small bottle of perfume, and a program with a Chinese painting on the front. Delicious Chinese food was enjoyed by all.

The incoming officers were installed: president, Mrs. Ernest LePire; vice-president, Mrs. Marshall Ruhkala; correspondence secretary, Mrs. Steve Korich; secretary, Mrs. Bill Wilt, and treasurer, Mrs. Gordon Brown. The outgoing officers were given a gift for the fine work they have done this past year. Mrs. Don Snyder, past president and the group working with her have made the past year a most successful one for the Women's Club and one to be very proud of. Everyone had a wonderful time at the luncheon and enjoyed all of the fashions displayed by the Porter's who also worked hard to make the event a success.

Women Golfers Don't Mind Rain

Alhough the weatherman very emphatically declared rain for last Friday the 6th the women golfers of Tahoe City and Truckee were not in the least concerned and 12 of them turned out to enjoy their ladies' day. In the future ladies' day will be held on Tuesday of each week with two ladies in charge of rules each week. They set up their own rules as to winners and prizes.

The winners for this ladies' day were: Pat Fox of Tahoe City and Eva Besio of Truckee, and in charge of things were: Billie Sach and Beulah Carnell. Sounds like a good way to enjoy a Tuesday.

Special Meeting

Mrs. Ernest LePire, president of Tahoe City Women's Club has called a special meeting for June 17th at 1:30 at her home in Lake Forest. This will be a special business meeting to plan activities for the coming year, review by-laws, and prepare budget for the year. All interested members are asked to attend.

More Improvement

The buoys and rope for setting off the swimming area on the Commons in Tahoe City has arrived and will be put up this week. Also the sand which the Henrickson Brothers have very generously offered will be ready to haul shortly and if you have a dump truck and would like to give a hand contact Chris Burmer for details. Any donations or gifts for the Commons are still welcome. Harold Farr of the Community Center will be most happy to receive them.

Outdoor Chapel Opens

This Sunday the 15th of June will be the first service of the Outdoor Chapel in Tahoe City, and the services of the St. Nicholas Mission will be held in conjunction at the Outdoor Chapel grounds. Services will be 8 and 11 a.m. and everyone is cordially invited. Mr. Charles Beardsley, lay reader, and very active in forming St. Nicholas Mission, said that the turnout for preparing the grounds last Saturday was very good. The men and women who turned out for the cleanup day worked very hard and their efforts are greatly appreciated..

Good News

Carl Bechdolt, senior, is doing very nicely in regaining his strength and has many visitors who are very pleased to see him feeling better.

Season Beginning

Most of the resorts are now open or will be this weekend and the summer residents are in now and school is out. So to all of our summer friends welcome and a very good season, and if you have news we'd love to hear it so give me a call at JU 3-3960 and let all of us know what you've been doing.

VOTE APPRECIATED

Your support at the primary election was sincerely appreciated and I trust that I shall warrant your continued support at the forthcoming general election.

VIOLATION OF RIGHT OF WAY DANGEROUS

Be prepared to yield the right-of-way at intersections for utmost safety says the California Highway Patrol.

"During last year, 18 per cent of all violations noted in fatal and injury traffic acidents in California were charged to driver right-of-way errors," declared Patrol Commissioner B. R. Caldwell. "Right-of-way violations are usually acts of discourtesy.

"A review of sections of the vehicle code concerning right-of-way reveals that the word 'yield' is the key to their application," Caldwell stated. "Section 551 requires the driver intending to turn left at an intersection to yield the right-of-way to any vehicle which has approached or is approaching the intersection from the opposite direction and which is so close as to constitute a hazard at anytime during the turning movement.

"The second part of this section says that the driver turning left, having so yielded and having given a signal when and as required—may make such left turn and the drivers of all other vehicles approaching the intersection from said opposite direction shall yield," he continued. "Other right-of-way laws concerning vehicles approaching an intersection from different highways together with the new yield right-of-way signed intersections stress the need and importance of yielding as a key to safely crossing an intersection.

"Last year in California we averaged 77 injury and fatal intersection accidents per day," he concluded. "Stricter adherence to the 'yield' factors in the right-of-way laws will mean more safety, particularly at intersections."

NEVADA COUNTY FOOD COSTS FAMILY $83.99

The cost of providing food for a "composite family", one parent and three children, varies from $77.39 in San Bernardino county to $92.59 in Sierra county, according to a survey made by the department of social welfare and released by the Capitol News Service.

Nevada County, with a cost of $83.99 for the 16 basic food items is in the group with San Francisco county for the base, with a cost level of $83.85.

The state wide average cost for the items for the composite family is $80.87, the department said.

The department recently completed a survey on prices in each of the 58 counties on the 16 basic items of food.

While prices for these food items vary in each of the counties, the department makes payment for the aid to needy children program on the basis of six counties, Los Angeles, Fresno, Sacramento, San Francisco, Shasta, and Plumas. Counties with price levels nearest these base counties are included in that particular group.

The groups, selected on price levels, do not follow geographical lines, with Alameda in the Fresno group and Santa Barbara in the Sacramento group.

On the basis of results of its most recent survey, the department re-grouped the counties in order to put counties in groups nearer their own price levels. It was estimated this re-grouping could result in a savings of some $40,000 a month.

OUT OF HOSPITAL

Happy to report that Loma Moore who underwent an operation in Sacramento, is out of the hospital and doing very nicely. Heh mother, Alice Sorensen, spent a few days with her while she getting on her feet.

RECEIVED MEDAL

Carl Sorensen with his good wife, Nina, spent a day or two in Hayward last week. Carl attended his Odd Fellows Lodge and was presented with a 40-year jewel. They visited old friends of yesteryear. Carl says things have surely changed and he lost his way around town.

OPENING

On June 13th, two well known casinos will open—The Club North Shore and the Bal Tabarin.

HOBBY

Andy Sorensen has started a swell vegetable garden—quite a variety—and a nice fresh trout in the pool.

TROUT POND

Young Arthur and Charles Croom have taken over the trout pond at Seacline and Highway 28, across from the Martins of Tahoe Gift Shop in Kings Beach.

BICYCLES

Bicycle riding children should be warned of the danger of riding on the highways, especially where there is no shoulder. This is extremely dangerous both to the cars and children alike.

FUNNY WEATHER

This weekend was really miserable, cold winds and a trace of rain Saturday and Sunday.

VISITING

Julius Gold late of the Goldcrest Lodge, was up at the Lake for a few days greeting his many friends and was heading for a three months trip through Salt Lake City, Montana and then into Canada. He tells that he visited with John Mason Dixon and found him to be somewhat under the weather. Dixon hopes to improve and come back to his lake home pretty soon.

SUMMER, WE HOPE

Forty-two degrees this Sunday afternoon and raining quite hard, but summer is just around the corner—we hope!

DEVELOPMENT

It looks as though the strip from Crystal Bay on south might develop sooner than expected with the sale of land along the shore to the tune of $4,600,000. "We ain't seen nothing yet," acccording the news reports.

SWIMMING POOL

Now the Wood Vista Lodge is adorned with a beautiful new pool.

ANALYSIS—In the Combat Development Experimentation Center's soldier-civilian studies of better ways to use men and weapons, Sp3 Ben Owen (left) of Norfolk, Va., and Research Scientist Dorance Miller of Carmel, Calif., record gun camera data obtained on the range.

FORMER LOGGER IS CHARGED IN ACTION

Don Witcher, former owner of a logging company here, was arrested June 2 on a charge of violating section 2110 of the California employment insurance code, the charge being made by Scot Harrington, auditor in charge of the department.

Witcher entered a plea of not guilty and trial was ordered for June 5 in Judge Fosten Wilson's court. Through his attorney, D. Paul, Witcher changed his plea to guilty and he was fined $50 or 10 days in jail.

Section 2110, in part, states that employers who make deductions from their employees' earnings under provisions of the law must remit the deductions when due.

Leo Todd, deputy district attorney of Nevada County, represented the state.

SCHOLARSHIP FUND FOR PLANE VICTIM

AUBURN—The Sierra College Faculty Association is administering the Meredith Weaver Overton Memorial Scholarship Fund in respect to the memory of a former student, Meredith Weaver, killed this week in an airplane accident in Mexico while flying with her husband.

A. M. Akers, treasurer, said the fund will be used to assist a deserving Sierra College woman to get started on her life work.

He said the parents, President and Mrs. Harold M. Weaver of Sierra College, had expressed the hope floral offerings would be held to a minimum and that instead, contributions would be made to the memorial scholarship fund.

Correction

In last week's issue, we reported the rescue of an ill woman from the Weber Lake area and failed to give credit to Robert F. Krohn, forester for Fibreboard at Hobart Mills, who was with Tom Dolley and others on the mission.

HIGHWAY

Continued from Page 1

ner Lake to Boca, and from Boca to Floriston.

Four other freeway projects are currently under construction on this route and are scheduled for completion this construction period. These sections are from Newcastle to Auburn, scheduled for completion in June; Heather Glen to Colfax, scheduled for completion in July; Colfax to Magra, scheduled for completion in Oct.; and Floriston to the Nevada state line, scheduled for completion in August.

The completion of these nine projects will provide a total of 88 miles of four lane roadway in the 122 mile distance from Sacramento to the Nevada state line. This will include 61 miles continuous section from Sacramento to Monte Vista, a six mile section from Hampshire Rocks to Soda Springs, and 21 continuous miles from the east end of Donner Lake to the Nevada state line. This will represent the expenditure of approximately $57,700,000 on this interstate route. Of this amount, approximately $48,500,000 will have been expended by 1959.

Highway officials said freeway routing has been adopted for the remaining 34 miles of this route and plans are being prepared for its construction.

The 1958-59 budget of the division o fhighways contains $5,500,000 for the start of this project. The remaining cost will be financed in the 1959-60 budget under provisions made possible by legislation adopted in 1956. This permits the financing of large projects that will require more than a year to construct, in two successive budgets.

TWO FINED IN LOCAL COURT FOR DRINKING

J. L. Blevins, Janesville was charged with drunk driving and driving after his license was suspended and appeared in Judge Fosten Wilson's court June 11.

Blevins was sentenced to one year in the Nevada County jail on the violation of 502 and six months on 536. The six months sentence was suspended on three years probation. He had three prior convictions.

Highway Parolman William Gautsche was the arresting officer.

George H. Young of Chico was fined $420 on the same date, in the local court or an alternate sentence of 80 days in the Nevada County jail for drunk driving and driving after his license had expired for four years. Young had one prior conviction. Highway Patrolman Martin Sturcke was the arresting officer.

GOLF TOURNAMENT CONCLUDES SESSION

TAHOE CITY—A nine-hole golf tournament and a barbecue at the Tahoe City golf club concluded dinner meetings of the Tahoe City Rotary Club on June 3rd.

Experienced and non-experienced golfers made up in pairs who alternated in drives and putts using only an iron and a putter. Several experienced golfers were invited as guests to make up pairs of one good and one bad golfer. There were no prizes and no winning team announced. It was a cool evening and all hurried to get back for the steak dinner prepared over the outdoor grill by member Bob Tonini.

Tuesday, June 10 was the beginning of luncheon meetings at Tahoe Inn to continue throughout the summer months.

Still Traveling

TAHOE CITY — Mr. and Mrs. C. O. Valentine, former resort owners at Tahoe, wrote the Sierra Sun that they are on another of their jaunts—this time returning to Honolulu. The veteran travelers mentioned that there has been an increase in tourists and shops on the Islands since their last trip four years ago and they sent greetings to their many friends in this region.

RUMMAGE SALE

A rummage sale will be held in the Methodist Church basement on Friday and Saturday, June 13 and 14. The public is invited to come and browse and buy. A food sale will be held at Welch's Hardware on both days, with pies, cakes and hot dishes.

Texas Visitors—

Mrs. Bruce Grow and children returned home from Odessa, Texas, where she spent a month visiting, with her father and mother and other relatives.

From Fresno—

L. G. Wofford, well known former resident of this area, was a recent visitor from Fresno.

From Phoenix—

Mr. and Mrs. Edwin Crandall are here after his graduation with honors from American Institute for Foreign Trade at Phoenix.

Local people who entered Tahoe Horest Hospital for treatment last week included Mrs. Joseph Copeland, Mrs. Vida Euer, Erving Waters, George Jolly and Cecil Edmunds.

IN SPITE OF THE DANGERS HE HAD EXPERIENCED DUE TO JACKSON'S 'NEGLECT,' THE MAHARAJAH WAS DETERMINED TO GO ON ONE MORE HUNT.

...THE NEXT DAY, THE MAHARAJAH ORGANIZED A HUNTING PARTY TO SEARCH FOR ONE LAST TROPHY-- RHINO!

FINALLY, HOURS LATER, TARZAN ALERTED THE GROUP. "BUTO, THE RHINO, IS IN THIS AREA-- HIS SCENT SPOOR IS STRONG."

"GOOD!" EXCLAIMED JACKSON. "NOW WHY DON'T YOU AND THE NATIVES ACT AS BEATERS AND DRIVE HIM OUT OF HIDING?"

DICK VAN BUREN

CONTENDER KNOCKED COLD TITLE FIGHT IS CALLED OFF

GIGGY GRIGGS, WHO WAS SCHEDULED TO MEET CURLY KAYOE FOR THE HEAVYWEIGHT CHAMPIONSHIP OF THE WORLD, WAS RULED OUT AS A CONTENDER WHEN HE WAS K.O.'D SOON AFTER HE SIGNED FOR A TITLE-TUSSLE WITH THE CHAMPION. THE POWERFULLY BUILT BOXER HAD JUST LEFT THE COMMISSION OFFICE WHEN HE WAS SUMMONED TO A NOOK IN THE CORRIDOR BY A MYSTERIOUS VOICE. SECONDS LATER, GRIGGS [illegible] UNCONSCIOUS. A SEARCH OF [illegible] IMMEDIATELY AFTER [illegible]

CURLY KAYOE

POOR GRIGGS LOST A SHOT AT THE TITLE. THE PROMOTER SAID THIS KILLED THE GATE!

'STOO BAD TH' REPORTERS WUZ AROUND T'SEE IT!

IT MEANS WE GOTTA DIG UP A NEW CHALLENGER!

CONTENDER KNOCKED COLD TITLE FIGHT CALLED OFF

HAVE YOU ANYONE IN MIND, WINDY?

WELL~ I CAN CHOOSE FROM THREE TOP-RANKIN' HEAVYWEIGHTS, **TONY TOPPS... AL BOP** AND **JOE CERTA!**

?

LATER

I'M GOIN' OUT T' SIGN UP ONE OF THOSE GUYS!

WE INTERRUPT THIS PROGRAM FOR A NEWS FLASH. **THREE LEADING HEAVYWEIGHTS WERE K.O.'D IN SEPARATE ATTACKS!**

EACH OF THE HAPLESS VICTIMS WAS FLATTENED BY **A SINGLE BLOW TO THE JAW.** THEY SAID IT HAPPENED SO QUICKLY IT WASN'T POSSIBLE TO IDENTIFY THEIR ASSAILANT...

BOY! WHOEVER DONE IT SURE PACKS A **ATOM-BOMB** PUNCH!

QUIET! LET'S LISTEN!

A NOTE ADDRESSED TO CURLY KAYOE WAS FOUND NEAR THE PRONE FIGURE OF THE LAST ONE... IT READ—

ON AIR

"FOUR HEAVY CONTENDERS STOOD IN A ROW... THEY ALL HAD TO FLEE AND THAT LEAVES ONLY ME"... IT WAS SIGNED, "SYLVIA"

?

WHAT ARE WE GONNA DO?

★!!@& WE'RE GONNA FIND OUT "WHO IS SYLVIA", THAT'S WHAT!

!

STRANGE as it seems

ELSIE HIX ®

A GRAIN OF SAND WAS RESPONSIBLE FOR MAN'S KNOWLEDGE OF THE LARGEST AND SMALLEST THINGS IN THE UNIVERSE!

FROM IT WAS MADE GLASS FOR TELESCOPES AND MICROSCOPES, THROUGH WHICH SCIENTISTS HAVE PUSHED BACK LIMITLESS FRONTIERS OF HUMAN UNDERSTANDING!

THE MATTATUCK DRUM BAND-- of Waterbury, Conn., IS THE OLDEST ACTIVE DRUM BAND IN THE UNITED STATES-- ITS HISTORY DATES BACK WITHOUT A BREAK TO 1767!

THE ANCIENT (SLOW BEAT) BAND IS NOTED FOR ITS VOLUME AND CAN BE HEARD 3 TO 5 MILES AWAY!

TYRIAN PURPLE-- A DYE DISCOVERED OVER 1,000 YEARS AGO AND RESERVED BY LAW FOR DYEING GARMENTS OF ROYALTY-- WAS MADE FROM SEA SNAILS!
